TPC River Highlands

Cromwell, Connecticut, USA

Scottie Scheffler

Quick Quotes

Q. Some ball striking there from you at the end. Both you and Akshay kind of doing a call and response, felt like you guys were feeding off each other at the end.

SCOTTIE SCHEFFLER: Yeah, yeah. Sometimes when you're in pairs you can feed off each other the wrong or the right way. Today, especially at the end, we were feeding off each other what I would say in the right way. It's always a good thing.

Q. How is your energy just at this point, a couple rain delays the last two nights, coming off playing two long weeks, I'm sure feeling it a bit?

SCOTTIE SCHEFFLER: Maybe a little bit, but it's nice to be in contention, for sure. I think I would be feeling it a lot more if I was playing a bit worse this week. So it's good to be in the heat of it. I was pretty frustrated after that bogey on 14, felt like I was putting myself out of the tournament, so it was nice to bounce back and finish it the way I did.

Q. Stacked leaderboard with guys who have won a lot of big events and it's giving up a lot of low scores. How challenging is it going to be for somebody to try and nudge themselves out and get a little separation or clear themselves?

SCOTTIE SCHEFFLER: Yeah, it really depends on the weather. I think I saw that the wind were going to be up a little bit and depends if we get more rain overnight. So there will be a bit, a few different factors going into it, but I'll wake up tomorrow, see how the course is playing and go from there.
