Sebastian Munoz

Quick Quotes

SEBASTIAN MUÑOZ: It was good. I thought I gave myself a chance after a rough start that I had today. I missed a short one on 12 and then I bogeyed 14, and you can't bogey that hole. But proud of myself.

But I had a rough start and was able to kind of stay in it, kind of kept the chance alive. You know, it will build some experience and we'll be ready for next time.

Q. Did that rough start, anything you can point to that led to that?

SEBASTIAN MUÑOZ: No, it was just an awkward lie and the second shot on No. 1 shanked and it kind of makes you think, What's going on? Took me three holes to readjust from that and then did a good job from there.

Q. Still a lot of positives to take out of the week?

SEBASTIAN MUÑOZ: Absolutely. Right now excited to go over to England and see what's the weather, and just excited to move on.
