Quick Quotes

Q. Was there a time or will there be a time that you go for 14, or is it just too far, too risky?

RUSSELL HENLEY: You mean where the tee is moved up today?

Q. Yeah.

RUSSELL HENLEY: I think you could go for it downwind. Today we were a little into. But the green is so severe. You've really got to hit a really nice drive to get rewarded. But yeah, I think you could go for it. I think for me, it was just too far today, though.
