Quick Quotes

Q. Are you pleased with how you played out there today?

SAM BURNS: Yeah, I played okay. I think I could have scored a little bit better, mainly on the par-5s. I got in good position and then just kind of didn't take advantage. But overall it's tricky out there with the wind, but solid.

Q. What was one of the most tricky parts with the wind out there, maybe certain parts of the course?

SAM BURNS: Yeah, I mean, I think there's mature trees out here, so it gets in those trees and would kind of teeter back and forth a little bit. A lot of times just figuring out if it's off the right -- if it's a little hurt off the right or a little help off the right. Just trying to navigate that. But yeah, it looks like tomorrow maybe not quite as much wind but some weather coming in.

Q. How important is getting off to a quick start to put some pressure on the leaders?

SAM BURNS: Yeah, I think it's really important. I mean, it looks like Justin is playing pretty well. Viktor played well today. Yeah, I think it's going to be important to get some birdies in the first four or five holes.
