### Q. Just your general assessments of what you saw today or this week?

JOE LACAVA: Well, today was better than the week. He hit good quality shots, rolled it pretty well I thought. Didn't get a whole lot out of the round. I don't always look at the final score; I was looking at how he was feeling, and I thought he was moving pretty good and hit it pretty well. Like I said, it was a tough day.

### Q. Encouraging signs moving forward?

JOE LACAVA: Yeah, for sure. I think physically he feels good. Probably go home and work on what he needs to work on, which is probably everything.

### Q. What were you happiest to see and what were you maybe not as happy to see?

JOE LACAVA: Well, I'm happy to see -- making the cut isn't the goal, but the way he made the cut was nice, making two birdies and a nice par on 9, knowing we needed to play on the weekend. He's 18 for 18 here. Like I said, I think for me, the bottom line is you're not always going to have -- try to get a little more out of the round. I feel like he's hitting it better than he scored, know what I mean? Yeah, overall not too bad.

### Q. Are you happy to see him after five months?

JOE LACAVA: Elated. Elated to see Rob and him and Erica and to come to one of my favorite spots. What's not to like?

### Q. The last stretch like that would have been 2017?

JOE LACAVA: Yeah, that was almost a whole year, but that was different circumstances, hurt, beat up, completely different circumstance. So we'll just try to make the best of the rest of the year.
