Sunday, August 2, 2020

Truckee, California, USA

Tahoe Mountain Club

## Aaron Wise

### Quick Quotes

**Q. A career-best 10 birdies today. What clicked for you out there?**

AARON WISE: The putter, obviously. I think everyone who plays here knows that if you get it in the fairway, you're going to have a bunch of looks for birdie, and I did today, it was just a matter of making the putts. My speed was kind of off the first couple rounds. Yesterday I putted amazing but I didn't hit it very good, and today I was kind of able to put it all together. I hit it great, was able to leave myself in good spots and then was able to roll in the birdie putts.

**Q. Were you aware of the amount of birdies you were making or were you trying to keep all that out of your mind?**

AARON WISE: Yeah, I mean, you know you're playing really well. I wasn't adding it up, I just knew I had to keep making them to try to get as far up the leaderboard as I could. I was really happy, especially those last three holes I was able to get all three of them and finish this round off positively, which is something I didn't do the first couple days.

**Q. It's your first time playing this event; did you like the format? I know it's different.**

AARON WISE: It is different. You know, it's great for me. I've always been a player that makes a lot of birdies and kind of makes a lot of bogeys. This format birdies mean more than bogeys, so it's great for my game, and really excited that today it kind of all came together and I was able to see that shine.

**Q. With a good finish today you'll get a fair amount of FedExCup points as we get closer to the Playoffs. Does that give you a lot of confidence and a little bit of reassurance?**

AARON WISE: Yeah, I needed them. It's coming down to the deadline. We all know we've got through Wyndham, and I'm outside the Top 125, so everything I can get here

this week and then obviously got to have a good off week next week and get to Wyndham and try and get myself in that race.
