Q. Obviously not the round you're wanting today coming in with the lead. But what was it like overall playing in the final pairing?

ADAM SCHENK: Yeah, it was a lot of fun. It was unfortunate I didn't have my best stuff today. I didn't play good enough to win. He made a lot of putts, didn't really make many mistakes. And he just deserved it more than I did, for sure.

Q. Any specific shots that you really are going back on --

ADAM SCHENK: I had the one on the bunker, had one in the bunker, no sand in it, hit it 30 yards over the green. That one sucked. But even beside that, I just didn't quite play good enough. Even after that I fell back to a couple minus points, maybe.

And made some birdies coming in, which was nice. Almost made a eagle putt on 16. That would have got me right there. But that didn't go in either. But I just didn't quite -- I just didn't play good enough today to win, that's all it came down to.

Q. Another top-15 here. But especially coming off John Deere, you had your best career, tied for fourth, and it's obviously trending in the right direction. So what are big takeaways?

ADAM SCHENK: Exactly. Like you said, just trending in the right direction and hopefully use the experience from today and just get a little better.
