Quick Quotes

Q. We talked about earlier this week. Great runner-up finish last week and a strong finish today. What are you happy about with your performance the past two weeks?

NATHAN KIMSEY: Just happy with my game. Just happy to come out here and compete for two weeks, really. Obviously got really close last week. At times was playing some really good stuff this week as well. Was kind of in and about the lead at points today. So, yeah, just happy to come out for my first two PGA TOUR events and be in contention. It's been great.

Q. Goal always to win, but does this come kind of close on earning that temporary membership in just two starts?

NATHAN KIMSEY: Yeah, exactly. That's just giving me, hopefully, some more options of where I can play the rest of this year. Obviously, two good results. Especially last week's put me in a good position on the Race to Dubai rankings in Europe. So, yeah, I'm kind of in a good position overall. And, yeah, got a lot of options or opportunities coming up. So, yeah, it's been a great two weeks.
