Quick Quotes

Q. Vince, obviously a win is always the goal, but are you pleased with your performance this week?

VINCE WHALEY: Yeah, definitely with the week as a whole. Today I didn't hit it very good the whole day and I kind of kept myself in it with the short game, and then missed a couple I felt like I could have made coming in, but, yeah, I was pretty happy with it.

Q. Birdie on the 18th. Did you feel like your putting was strong this week?

VINCE WHALEY: Yeah, definitely I putted well all week. I left a couple short that were pretty important down the stretch, but other than that, I'm not too upset about that. I putted really nicely all week.

Q. Only one bogey today. Can you talk through number 10?

VINCE WHALEY: Yeah, just I hit another bad tee shot. I'd done that a few times already to that point and it just had nothing. I had a chip out, hit a bad wedge, and, yeah, really had no chance.

Q. What do you take away from this week as far as confidence levels and your game as a whole?

VINCE WHALEY: Yeah, I definitely feel like I'm trending in the right direction and all that jazz, but definitely disappointed right now. But, yeah, definitely a lot of positives.

Q. What's next for you?

VINCE WHALEY: I'm taking next week off and then I'll do Wyndham.
