## Scott McGinness

### Quick Quotes

#### **Q. How long have you been working with Scotty?**

SCOTT MCGINNESS: Probably about a year and a half now. Went back to the Korn Ferry, after first five events I started with him on the Korn Ferry last year.

#### **Q. So at what point in his round do you think that something like this was possible?**

SCOTT MCGINNESS: The last putt. As I was telling him, I never -- I always struggle with what the actual par was. I just try and -- that's the best result we can do.

#### **Q. Seemed to be a shot by shot mentality?**

SCOTT MCGINNESS: Definitely. He never looks ahead.

#### **Q. Coming down the stretch, he had that tough par look on 17. Was there a lot of talk between you guys over the putt?**

SCOTT MCGINNESS: On the par one? Not a lot. He was in great spirits. It was just a matter of picking the right line and hitting the putt. We just talked about the right line and that was it.

#### **Q. What were you seeing as far as picking irons, picking lines, that kind of thing?**

SCOTT MCGINNESS: He just did everything normal, you know what I mean. Got a really good bounce on hole No. 9, actually. It went left and kicked back to the middle of the green and made a good putt. You know you're going to have a good day when things like that happen.

#### **Q. Now that it's over, you can say you caddied for somebody that shot a 59. What do you think about that?**

SCOTT MCGINNESS: Yeah, that's pretty awesome. As a caddie you're only as good as your player. I've obviously got a good one.
