Q. Solid day, irons great and putting was solid, as well?

HARRIS ENGLISH: Yeah, irons have been awesome all week this week. I feel like it's a great mid-iron golf course and I've been hitting it really well. Had my putting going today, as well. So kind of everything was clicking. Kind of a tricky day today with the wind swirling around right before the rain delay, and after the rain delay, the wind was kind of all over the place. Felt like I managed it pretty well and short game was good. Tough finish, not the finish I was looking for but felt like I got a lot of momentum going into tomorrow.

Q. You and Louis almost started feeding off one another after the delay. The chip-in on 14, walk us through the chip-in?

HARRIS ENGLISH: That was a brutal lie, dead into the grain, thick lie. I'm just playing it like a bunker shot. Took a couple practice swings on a similar lie kind of close to the ball. Just really opened up the blade, playing like a bunker shot and hope for the best.

Q. Some thoughts on tomorrow? You're in a good spot, playing well. What has to get better tomorrow to walk away with a trophy?

HARRIS ENGLISH: Just keep doing what I'm doing. Putting myself in the hunt again. I know there are probably going to be a lot more birdies to be had tomorrow but keep doing what I'm doing. Hitting the irons well. Make something good putts and see where I stand after 18 tomorrow.
