Quick Quotes

How would you assess your round out there today?

SEBASTIAN MUNOZ: It was great. Great day. Didn't get the chance to play Tuesday. My neck was hurting so I didn't do much. I rested it.

So I didn't have no expectations today coming in. I didn't feel any pain, so it was great, and I got to great start and it was windy, and I'm really proud of 3-under I made.

Q. Maybe sleep a little funny on it?

SEBASTIAN MUNOZ: Yeah, I think so. Something weird. It was odd couple days.

Q. Sometimes kind of help when you have something like that and you just lower expectations and go out and play?

SEBASTIAN MUNOZ: Yeah, I played last week at the Wyndham and felt really good. Hit the ball good. I knew the game was there. Just had to feel better to perform better, so it was good.

Q. Just wanted to ask about the differences of this year and last year and your starting position. You approach this week any differently than a year ago?

SEBASTIAN MUNOZ: Yeah, I mean, last year I was I think 15th or something like that coming in. This year I'm 60 something. So, yeah, definitely you need a better start. I mean, one bad day and you could be out of the Playoff.

So I just take to win day a little a time. Try to play my best and give it all.
