Q. Still not finished your round; how are you feeling about today?

JON RAHM: Really good. It was very nice to come from the restart, and usually things can slow down, and played some great holes from 11 to 15 and have a birdie chance at 16. Too bad we can't finish today, but tomorrow being fresh greens in the morning and I think the restart not being too early, I think we're going to have plenty of time to rest tonight and then a little bit of time to rest before the restart.

Looking forward to finishing strong. Hopefully I can make a birdie on one of the last three holes and have a good day tomorrow.
