CHAMPIONSHIP

Q. Viktor, nice day out there. If we can get some comments on your final round.

VIKTOR HOVLAND: Yeah, it was good. Got off to a better start today than I did yesterday, although it wasn't anything super hard from the get-go, but just kept hitting the fat side of the green, giving myself a lot of looks, and hit it close every now and again and made birdies, and just kind of two-putted from 30 feet a lot of the day.

Q. Talk a little bit about your mindset and how you're feeling about your game heading into East Lake.

VIKTOR HOVLAND: Yeah, I tried to kind of not put as much pressure on myself today and just kind of let it happen, not let the bad shots kind of get to me as much, and I felt like I made a lot of progress with certain shots that I was trying to hit. Hit a lot of really nice iron shots to pins on the right side, where I had to hit cuts, and then I hit a couple of good shots into left pins, so it was good.
