Quick Quotes

Q. There was a lot riding on this round today. What's your takeaway?

ALEX NOREN: Good. I mean, I'm very pleased with the golf. I haven't played this well for a long time. It's great. I'm pretty happy right now about the game and going forward.

Q. Obviously that putt at the last likely cost you a spot at East Lake. Just knowing that, how long is that going to stick with you and what's the key to getting over it?

ALEX NOREN: I mean, I holed a few long ones in the middle of the round, and I've played golf long enough to understand that happens. It's not an easy putt to make under the circumstances.

It's golf, you know. That happens.

Q. What's your schedule moving forward?

ALEX NOREN: I'm playing Wentworth in a couple of weeks, and see after that.
