**Q. Overall assessment on your play this week?**

SUNGJAE IM: The last couple tournaments my putting was not right, but this week my putter improved. So this week I feel -- compared to other tournaments, I feel comfortable to go play.

**Q. Talk about what happened when you hit the grandstand and took the drop.**

SUNGJAE IM: It was a divot in that spot, so I just moved it and repair and then put back, so that's it.
