## Keegan Bradley

### Quick Quotes

**Q. Do you still feel like you're playing a little bit with house money having endured what you endured on Sunday?**

KEEGAN BRADLEY: Yeah, I do. It's such a difference this week than last week, just looking at the leaderboard. I have no thoughts like I had last week. It just feels like I'm playing a regular event in the middle of the season, which is a nice relief.

**Q. Three shots with 36 holes to go. You've won out here. You know what it takes. You know what the meaning of three shots is. Does it mean much?**

KEEGAN BRADLEY: Well, when you've got a player like Adam in the lead it means more, when he's up by three. I'll have to play my very best to catch him, for sure.

**Q. You go to bed last night with the lead and you basically tee off and you're way behind today. Is it a little bit of a weird dynamic how it went, and did it change the way you might have played the round?**

KEEGAN BRADLEY: No, it was strange, but it's happened to me a million times out here where you play a good round and all of a sudden you're way back. But Adam is a world-class Hall-of-Fame type player. He went out and did what he does, and I'll have to play really well to hang with him this weekend.

**Q. What about your own game and the way you're playing? 18 is the only bogey in two days. It's pretty good golf after maybe some scratchy golf last week?**

KEEGAN BRADLEY: Yeah, I just have basically hit every shot the way I wanted this week. Even that drive on 18, I hit really well. Just the wind got it a little bit. Game feels really good. I feel really comfortable. It's really fun to play in front of these fans. They're excited. They're passionate. It's been a lot of fun.

**Q. What do you think clicked?**

KEEGAN BRADLEY: I mean, I don't know. Sometimes you show up to the golf course, it just feels better.

**Q. You're first in strokes gained tee to green and approach --**

KEEGAN BRADLEY: Yeah, I'm really swinging at it well. That's about as high as I could have shot today, but I made some putts on the back, which is nice, so hopefully I can keep that rolling.

**Q. You've been the leader after 18 holes. There's still a long way to go. But this was your 11th time. You're 0 for 10, never had the lead after the first -- lead or co-lead. Do you have any explanation for that?**

KEEGAN BRADLEY: Well, I would say if you gamble, if you're a gambler, then that says that you're due for a win. Leading on Thursday means nothing. I'm excited to be in position to -- it matters where you stand on Sunday afternoon.

I've put myself in a great position to have a good chance to win, and I'm proud of that.

**Q. Is there any rhyme or reason for two of the older players in the field to be at the top of the leaderboard?**

KEEGAN BRADLEY: I have no idea. I really enjoy playing with Adam, so I'm excited to go out in the final group and play with him tomorrow. He's a guy that I've always admired and looked up to and watched as a kid. When I come out on TOUR, he's been one of the better guys, so I look forward to playing with him tomorrow.
