CHAMPIONSHIP

KEEGAN BRADLEY: It's so great. It was a fight the whole way. I was in or around the lead all four days, sleeping on it. Geez, what a fun way to -- what a fun place to win and a great tournament.

Q. Talk about that second shot into 17. What did you have and how did you execute it?

KEEGAN BRADLEY: Well, I had 222 adjusted hole, which is altitude and everything, so I hit a 5-iron. I was a little jacked up. One of the best shots of my life.

Q. You played your way to the TOUR Championship next week. How critical is that for you, and what's the celebration like before you head to Atlanta?

KEEGAN BRADLEY: Geez, I don't know. I didn't think to be honest with you when I started this week I'd be going to Atlanta, so what a treat this is now. I've got to really change my focus to have a chance to win this FedExCup. Wow, what a treat.
