### Quick Quotes

#### Q. Kevin, how would you assess your week as a whole?

KEVIN NA: Fantastic. I couldn't have played any better. I had one bogey for 27 holes, last three rounds bogey-free. I couldn't have played any better. I think I am as of now, right now, in the lead of -- one-shot lead if everybody started at even par. I know Rahm has got an eagle try. Worst case second, maybe tied for first for the week. That's pretty good.

#### Q. What did you prove to yourself about your game this week?

KEVIN NA: No matter what golf course I play, if I'm on, I can play. This is a golf course that I always felt like it didn't really suit my game. Hitting 2 to 3 clubs more than everybody else on every hole, greens are firm, if you miss the fairway for me there's no chance out of the rough for me.

I drove it beautifully, where I was hitting a lot of fairways. That was the key to a successful week.

#### Q. Was there a change in mentality?

KEVIN NA: I was trying to win that secret leaderboard, where everybody started from even par, to get Captain Stricker's attention, so I could get a captain's pick.

#### Q. Do you think you did enough to warrant one?

KEVIN NA: Look, I did the best I could. I have two runner-up finishes in the last six starts, another Top-10 at a Playoff event and maybe win or second here. So I mean, from where I started to finish third in the FedExCup, eight shots back, I think I'm looking strong for a pick.

I'm definitely going to probably text Captain Stricker. I haven't texted him but I'm going to text him and see what he thinks. I feel like I should be a big consideration for the a pick.

# TOUR CHAMPIONSHIP

#### Q. How much would it mean to you to get that call?

KEVIN NA: It would be a dream come true. I told somebody, it's second in my goals behind a major championship.
