Round 3 Quick Quotes

Q. First time here and going out there and shooting 64, it's been pretty steady so far. How do you think your game has been shaping up with this golf course?

SEPP STRAKA: Yeah, I think the golf course suits me pretty well. I'm usually a pretty accurate driver. The last two of the three rounds has been a little wobbly there, missing some right. But yeah, if I can get that driver straightened out for this last round, I think I have a good chance to post a low one.

Q. What's the fan support been like out here, your ties to Georgia and UGA?

SEPP STRAKA: Yeah, it's been awesome, heard a lot of "Go Dawgs," especially this close to football season. Everybody is excited coming off that National Championship. It's been awesome having a bunch of guys out there following me.
