## Scottie Scheffler

### Quick Quotes

**Q. I had a question, but I just wanted to hear your general feelings on the day, how you played and what you're disappointed in.**

SCOTTIE SCHEFFLER: I'm obviously pretty frustrated with how I played today. I got off to a pretty good start, and then -- I had a few 3-putts today, which definitely is frustrating, and then I had the bad swing there on the par-3, 15.

**Q. It was kind of interesting, you made a comment yesterday about the final round last year about your big lead was gone and then it was time to get after it. Not a huge lead this year, but almost you're back to pretty much even for the rest of the week. Can that almost be a blessing in disguise to not worry about big leads, now you got to go get it?**

SCOTTIE SCHEFFLER: Yeah. I mean, I try to approach each round the same way, but I mean, yeah, it is a bit weird starting a tournament with the lead. I don't know. It's definitely an interesting format. But, yeah, go out there tomorrow and, I mean, yeah, I guess it's a little bit of a blessing to have a pretty bad day and still be in the tournament. So, yeah, go out there tomorrow and just keep fighting.

**Q. I know it's been a little bit of a putter roulette over the past couple weeks. Is this a different one than you had at BMW and if so, why did you change?**

SCOTTIE SCHEFFLER: It's the putter I've used, for the most part, for my career. It's the same style that I've won all my tournaments with. It's obviously not the Spider, so, yeah.

**Q. Was there something you saw last week that you didn't like?**

SCOTTIE SCHEFFLER: I mean, no, it's just the putter that I've used.
