Quick Quotes

Q. Any kind of a break for you now or right back to Europe?

TOMMY FLEETWOOD: I'll have a week off and then I'll practice getting ready for Wentworth. Yeah, there's still plenty to go at this year. Yeah, nice sort of feeling finishing the season, but, yeah, still plenty to go at for the year.

Q. So it's just the one event before the Ryder Cup?

TOMMY FLEETWOOD: Yeah.

Q. What do you make of what Viktor's doing?

TOMMY FLEETWOOD: He's doing well, isn't he. He's playing great. Obviously I'll always support my close friends. Xander is great as well. So, honestly, I'm not going to mind who wins. But I wish Viktor all the best. He's doing great. And it's great to see him and Shay and all of his team doing really well. It's great for them.

Q. Were you one who noticed that he had really improved in the chipping area? He's talked about that a lot. He made fun of himself. But yet he seems to have really made that leap in that area of the game.

TOMMY FLEETWOOD: He's not that old. Nobody's going to be the finished package at that age, really. Apart from maybe Tiger Woods. But he's, I think he's showing how good he truly can be and I think he'll keep going from strength to strength.
