Quick Quotes

TOM KIM: I just got beat. I shot 3-under on my own ball. Obviously my partner definitely saved my ass for three holes. I feel like I kind of recovered on a few holes.

It's just on me. I feel like I could have done a better job as a partner. I missed a short putt on 14. I think it was a big momentum shift. Just I couldn't -- had a few good looks and just didn't make them.

Unfortunately, it's match play, so the putts matter the most.
