Quick Quotes

Q. Russell, it's got to feel great to post a point. For you, this has got to be exciting.

RUSSELL HENLEY: It is. This is a long week. It's a lot of golf. It's very intense. I didn't have it off the tee today, but it felt like I hit a lot of really good wedge shots and made some good putts in some key moments. Just really thankful to get a point.

Q. You're playing on foreign soil, if you will, so the crowd was definitely on Sungjae's side. Did you feed off of that?

RUSSELL HENLEY: Yeah, I mean, it's been loud all week, and they've been cheering hard against me. You just try to use those comments to fuel you a little bit. It's fun. I like trying to silence everybody.

Q. You had a really good week. You've got to be really proud of yourself.

RUSSELL HENLEY: I am. I'm just thankful to be on the team but also to get some points for the team. It just means the world to me.
