Quick Quotes

Q. Patrick, we see you week to week on the PGA TOUR and you're playing for yourself. What does the Presidents Cup bring out in you?

PATRICK CANTLAY: Yeah, it's great to have teammates and have the best players in the world on my team. I've had some great partners this week, Sam Burns and Xander. I really enjoyed being with those guys and I know everyone has fought really hard this week, and I'm looking forward to seeing Keegan close this thing out.

Q. Wonderful win, got tight near the end but you seemed in pretty firm control today, looking confident. The whole team came out confident.

PATRICK CANTLAY: Yeah, it was a tough match today. Taylor played well. There weren't a lot of bogeys in our match. Played well, played solid down the stretch, especially birdieing 14 and 15.

Q. Just moments away potentially, one point away in the Presidents Cup. Just thoughts on being part of another United States Team victory?

PATRICK CANTLAY: Yeah, it's been great. This team is so close, and we've pulled for each other all week. Going to watch Keegan close this thing out.
