### Quick Quotes

**Q. How has this week been? Has the week been fun as you come back defending champion?**

SEBASTIAN MUÑOZ: Yeah, absolutely. I get to see old faces, great memories. I don't know, the energy of this place, I really like it, and I just kind of grow under it. I just kind of thrive under it.

**Q. Were you a little nervous about how you were going to play today? Obviously everybody wants to defend their title, but were you a little nervous starting today?**

SEBASTIAN MUÑOZ: Not really. I just kind of tricked myself into thinking I was not the defending champion maybe, just kind of thinking it was another tournament at a course that I really like, and it's been working so far, so I'll keep doing that.

**Q. What is it about this golf course that really fits your eye?**

SEBASTIAN MUÑOZ: You know, the layout is really good. You have to hit drivers both left to right and right to left, and I like to control my ball, and then the greens are pure, so kind of where you start it's going to finish. That's something I really like about that.

**Q. When you see 8-under scores already out there before you even tee off, how does that affect you and what did that -- how did that impact you today?**

SEBASTIAN MUÑOZ: I mean, I knew it was gettable, just seeing the guys get it that low. I knew it was doable, and you just kind of need to get a hue, and I did, I started with a birdie, almost jarred it from 100 yards, so that just kind of gave me the confidence, I got a quick start, 4-under through 5, and it kind of slowed down, but then I matched it again on the back. I don't know, sometimes I just ride the momentum. One good shot kind of feeds me for two, three holes.

**Q. What happened on the shot on 9?**

SEBASTIAN MUÑOZ: I was in a divot and there was more wind than I thought, so I kind of went down to get it and just spun too much and got kind of hanging in the end and came up short.

**Q. And then 13 you got another heater, right?**

SEBASTIAN MUÑOZ: Yeah, good shot on 13, a baby 7-iron just to get it rolling all the way to the back, and I just kind of fed off of that and birdied 14, 15 and 16.

**Q. What do you think was the highlight for you today? Is there a certain shot that sticks out in your mind?**

SEBASTIAN MUÑOZ: I think probably my wedge on 1. It just kind of like set the tone for the day. Good solid driver and then almost jarred it for an eagle, so I felt pretty good after that.

**Q. How would this round compare to the ones you had last year after you won?**

SEBASTIAN MUÑOZ: You know, it reminded me a lot of when I shot 9-under. I was definitely trying to get to that number again. I felt like this one -- I mean, I don't know. It felt like this -- they were pretty similar. I remember the last one was bogey-free, this one I made one bogey. I think that one I played a little better golf. I had a really good chance for eagle on 15, but I parred it. I don't know, I feel pretty solid in both of them, but I feel that one was a little better.

**Q. What did you do with the trophy?**

SEBASTIAN MUÑOZ: The trophy, I put it on the club I'm a member at for like six months, and recently like the last two months I moved it to my house.

**Q. Where in the house?**

SEBASTIAN MUÑOZ: It was in the gym, now it's in the front, like as soon as you walk in the house you can see it.

**Q. What's the name of the club?**

SEBASTIAN MUÑOZ: Maridoe Golf Club.
