SANDERSON FARMS  
CHAMPIONSHIP

**Q. Good playing today. You're right there in the mix. I thought it was really good. Middle of the round there, the scoring holes at 14 and 15 when you didn't make birdies, looked like you kept your composure really well.**

KRISTOFFER VENTURA: Yeah, I mean, that's something I've worked on, and it's definitely paid out. Today I just had to stay patient. I didn't make as many putts as I normally do, so it was nice to drop one on the last and finish in style.

**Q. Did the golf course -- obviously it was soft early in the week and you haven't had any rain, had a little bit of breeze. Has it changed any? Has it gotten a little firmer, greens a little harder?**

KRISTOFFER VENTURA: I mean, these greens are probably the best greens that I've putted on ever. They're fast, they're kind of firm, but they're just so pure that you can see if you made a putt 10 feet out or six feet out. But no, the course has been playing a little soft. It would be nice if the fairways were a little firmer. But overall this is one of the best courses I've played, and it certainly fits my game.

**Q. As you head into the final round, anything you're thinking about, or how do you approach tomorrow's round?**

KRISTOFFER VENTURA: I mean, like everyone just says, just one shot at a time. For me it's just more mental. If I just do my absolute best, that's all I can do, and I can sleep good at night no matter what happens tomorrow. That's the way I've approached my game the last few months, and it's definitely paying off.
