Quick Quotes

SANDERSON FARMS
CHAMPIONSHIP

Q. Chesson, 69 today. Just talk a little bit about your round, please.

CHESSON HADLEY: Yeah, certainly not as good as yesterday. Kind of some weird conditions to start off. Felt like we were playing in the dark. It was just cloudy and spitting rain. I drove the ball poorly today, and I didn't have a lot of great opportunities to go at flags. The flags were definitely harder.

But I hung in there. I kind of cleaned up around the hole nicely, and shot 3-under. I bogeyed the last, which is never awesome. But happy where we're at. The lead right now is 13-under, so we're in good shape for the weekend.

Q. Talk a little bit about the last two days and what your goals are for this week.

CHESSON HADLEY: Yeah, my goal today was to extend the lead. Obviously I didn't do that, but I didn't -- I followed up a really good round with a solid round, and I'm right there in the thick of things. Tomorrow will be another -- certainly the goal tomorrow I think will be to try and get the lead and obviously keep it on Sunday.
