SANDERSON FARMS
CHAMPIONSHIP

Q. Davis, tough finish there. If you can just comment on the round.

DAVIS RILEY: Yeah, just a tough day. It was kind of off and on. Looks like I had some spurts where I birdied 10 and 11 and kind of got things going and then kind of slowed up. Just had some weird holes coming in. It all kind of started with missing a really short putt on I think it was 15, my 15th hole. Missed a short putt and then short-sided myself on a par-3, made bogey. Just kind of had a couple dumb bogeys coming in.

Yeah, just didn't have it this week. It's been frustrating. Working on it, but just got to dig deep and figure it out. It's been kind of a grind for me recently, but it is what it is.
