### Quick Quotes

SANDERSON FARMS  
CHAMPIONSHIP

**Q. Luke, 2-under 72. If you can just recap the final round for us.**

LUKE LIST: Yeah, a lot going on out there. Didn't have my swing this weekend but hung in there really well so I was happy with the way I handled that. Scratched and fought but didn't quite get it close enough to the hole coming down the stretch to get a few more birdies.

Parring 14 was kind of disappointing, then got a nice birdie on 15, but hit great putts on the last three, just wasn't meant to be.

**Q. Having said that, you're only one back right now. What's your plan over the next few minutes?**

LUKE LIST: Yeah, 18 is kind of playing tough and tricky, so if Ben hits a good drive, it makes it a little easier, but if you hit it in the rough there, it's tough to make 4. We'll wait and see.

**Q. Still a really positive week for you. If you can just recap the whole week and plans going forward.**

LUKE LIST: Yeah, one of my best performances of the year so far, so that felt like a lot of hard work. Putted really well, consistent all week, which was nice, so hopefully I can build on that the rest of the year.
