SANDERSON FARMS  
CHAMPIONSHIP

**Q. Not the result you wanted but still very, very solid week. What positives will you take from this weekend and of this finish this week?**

BEAU HOSSLER: The main positive is just getting under the gun and performing. You know, it's tough to get in a position to win on the PGA TOUR. I was proud to get there, and then proud of my performance.

Even though I didn't have my best stuff on the back nine I grinded really hard. Hit some really quality shots under the gun, and that's all you can do. Obviously Kevin played a beautiful hole in the playoff. Hit it right down the middle. Probably 7-iron to five feet and made it right in the middle.

Definitely stings, but you got to tip your hat. I don't know what he shot today, but had to be 6-, 7-under and then to birdie the playoff hole, pretty flawless day. Good for him.

**Q. How do you relish that opportunity of playing in the final group, that experience?**

BEAU HOSSLER: Yeah, that's what you play for, right? We play 28 weeks a year, and for me, just to get in contention however many times, this is what I train for and have been working for since I was a little kid.

Really nice to be nervous. Nice to hit good shots when you're nervous. You know, like I said, I'm a little disappointed with the outcome. I'm a little salty right now. All in, a lot of really good stuff this week.
