## Henrik Norlander

### Quick Quotes

**Q. Henrik, if we can just get some comments on the 5th hole.**

HENRIK NORLANDER: Yeah, 196, I think. Perfect number; 7-iron a little short. I couldn't really see it, but there were some people outside the gate that were screaming so we knew it is in.

I was even par at the moment, didn't really play very good, so it sort of kick started a little bit. Made two more birdies coming in. Missed a short one on the last, but it was nice for sure to get a little momentum going into the last four.

**Q. First one on the PGA TOUR, I believe.**

HENRIK NORLANDER: Yes.

**Q. But how about overall?**

HENRIK NORLANDER: It's my eighth -- my ninth one. I made one on a par-4 and eight par-3s now.

**Q. Where was the one on the par-4?**

HENRIK NORLANDER: It was in Cartagena, a Pro-Am for the Web.com Tour in '14 or '15, '15 I think.
