

# Shriners Children's Open

Friday, October 8, 2021

Las Vegas, Nevada, USA

TPC Summerlin

## Adam Schenk

### Quick Quotes

**Q. 6-under, 65. Nice round. If we can get some comments.**

ADAM SCHENK: Yeah, it was obviously a little trickier today. We managed it pretty well and kept a pretty hot putter, made a nice par save on the last, which will make dinner taste a little better.

But just was interviewed on PGA TOUR radio. I guess I had nine 3s, so that helps with the score. Just made the putts I needed to make, stayed out of trouble for the most part, and that's about it, just took care of a lot of the scorable holes.

**Q. Not only trickier today than it was yesterday, but also trickier on the back nine than it was on the front, correct, with the conditions?**

ADAM SCHENK: It was. The wind really came up on hole 8. That was when it really started.

And 9 played really short. Everything downwind and it started to firm up a little bit, so just played that much shorter. And into the wind, holes like 18 just played a lot harder than yesterday, obviously.

**Q. Currently tied for the lead. How excited are you for the weekend?**

ADAM SCHENK: Yeah, I'm pumped. I feel like I've been golfing better as of late. I figured out something with my putting which hopefully stays around for a while.

So yeah, just excited for another opportunity and to see what I can do this weekend.

**Q. You'll need the putter to keep working just because it's going to be a lot of birdies out there, so you got to keep the pedal to the metal this weekend.**

ADAM SCHENK: Absolutely. You play a nine holes and 1-under, even, you see somebody shooting 5-, 6-under on nine holes and you feel like you're getting lapped, but just

**Shriners**  
**Children's Open™**

at the same time staying patient and you're going to get on a run of two or three or four or five out of six holes, hopefully, so just kind of waiting for your opportunity.

**Q. Only bogey of the week you actually said was your best swing of the week. You don't hear that often?**

ADAM SCHENK: No, it was. It was a good swing, it just probably wasn't the right swing. I just should have just hit a little easier, a little softer draw, but I got a little steep which I like to do in my golf swing and I just kind of hammered it. It was a good shot, just not the right one.
