Q. Bogey-free round today, excellent start. If we can get some comments on your play.

STEPHAN JAEGER: It was a great round. Kind of had a couple loose drives on the front. Got away with a few. But the back nine was really solid, kept it on the fairway and kind of made birdies on the holes that you're supposed to, par-5s and drivable ones.

Super happy with my round. The greens are obviously brand new, so they were a little choppy in the afternoon. But we'll get fresh ones in the morning. I'm excited about that.
