## Chad Ramey

### Quick Quotes

**Q. Chad, great playing. As it stands now, tied for the lead. If we could get an opening comment on your first two rounds.**

CHAD RAMEY: Both rounds really solid. Game is starting to click in the right direction. Bogeyed the 1st hole today, but I never really hit a bad shot on the hole. From there, I kept the ball in position and made some putts.

**Q. I think you mentioned in another interview your in-laws live here and you played well last year. Good energy this tournament?**

CHAD RAMEY: Yeah, a lot of good energy. They feed me well. So just keep it going.

**Q. Chad, can you talk about the difference between last year and this year, the course with the resod, how you feel it's playing?**

CHAD RAMEY: Honestly, I can't tell that much of a difference. The greens are pretty firm, but they're also like if you are hitting out of the fairway, they're very receptive to your irons. To me, I can't tell a whole lot of difference.

**Q. Are you a leaderboard watcher? Were you aware where you are?**

CHAD RAMEY: I was. I caught a peek at the leaderboard like on 16. I'm not much of a leaderboard watcher, but I'm not going to steer clear of them. If I happen to glance up there, I'm okay with it.

**Q. Way too early to be looking at it anyway?**

CHAD RAMEY: Yeah, it's way too early.

**Q. The leaderboard is packed at this point. Do you feel like it takes a little pressure off that you're not being chased, you're just part of the middle of the pack right now? Or are you just happy to be off to a good two days?**

**Shriners**  
**Children's Open™**

CHAD RAMEY: I'm just happy the game is starting to click in the right direction. Obviously I'd love to have a five or six-shot lead right now being chased, but I'm happy to be where I'm at.

**Q. For the weekend, anything you've learned over the last two days that you can take into the weekend?**

CHAD RAMEY: Just stay patient. I've had good memories from this course, and I played well here in the past. So just stay patient and stay in control.
