## Robby Shelton

### Quick Quotes

**Q. Pretty impressive round. You must be pretty pumped.**

ROBBY SHELTON: Yeah, it was a good day. Started out on the back nine, which was the easier side, and got off to a hot start, 4-under through six or seven. Then made a good putt on 18 for birdie, got me to 5-under, and I just kept it rolling on the front.

**Q. Just the one mistake over the two days. What's been the key to playing this well?**

ROBBY SHELTON: The ball striking has been really good, but today I put my trusty putter back in the bag. She made a lot of putts for me today.

**Q. I was going to say the stats say you had a big day on the greens. You put in a new putter just today, an old one?**

ROBBY SHELTON: It's my normal putter. I just threw in a two ball yesterday just to change things up. I have my Rossi back in the bag. It's what I played with all on Korn Ferry this year. So it's been good.

**Q. How long were you into the yesterday's round before you decided to put the old one back in the bag?**

ROBBY SHELTON: Around 12 or 13. I told my caddie this one doesn't feel the same.

**Q. Obviously you're going to keep that one in the bag for the rest of the week.**

ROBBY SHELTON: Yes.

**Q. Tell us obviously you're about to go into the weekend on TOUR in the final group on Saturday. Have you had a chance to think about what that's going to be like?**

ROBBY SHELTON: Not really. I wanted the birdie on the final hole just to get me in the final group, just to get one

shot closer. I'm playing with Mito. It will be a fun day.

**Q. He said that you caddied for Jack Maguire at first stage. He wants to know how that came about and how that went.**

ROBBY SHELTON: Jack Maguire is a good buddy of mine. He was playing Mobile, my own course I grew up on, his first stage. I wanted to get him through and help him out.

Just I like caddieing. I like caddieing for my buddies. I went and did it. It was tough. I like being on this side of the ropes.

**Q. How different is it? Did you make any blunders or anything silly like that?**

ROBBY SHELTON: Nothing silly. I just talked to him the whole time and kept it fun. Those four days can be a grind. It was just a lot of fun caddieing for my friend.

**Q. Was that what it was about, give you a bit of a break and keep the grind of what that is out of his mind as well?**

ROBBY SHELTON: For sure. I think caddieing every now and then is a good thing because you get to see how people react to shots and stuff like that. You're kind of -- you know, you want to hit the shot for him, but it's just a different mindset caddieing, and you kind of have to have that perspective sometimes when you're the player.
