Q. Sungjae, great playing in your title defense. You came up a little bit short, but what positives do you take from the week?

SUNGJAE IM: Yeah, it's always exciting to come to a week defending a title. I missed a lot of putts today. The putting today, I didn't putt as well as I wanted to, but I'm happy with the top 10 finish.

Q. Looking ahead the next two weeks, returning to Asia to play in Japan at the ZOZO Championship and then back for the CJ Cup, which is another tournament I'm sure that's special to you, what are you looking forward to over the next two weeks?

SUNGJAE IM: Yeah, very excited to return to Japan. I remember I finished solo third there at the inaugural event, so I'm happy to go back to Japan, and also playing in the CJ Cup is always exciting.
