Q. Matti, good way to finish up there on 18 being able to make that putt. What did you see in that final putt there?

MATTI SCHMID: Well, it was a lot of break. I think I played almost a cup outside and turned really late. Was missing a long way off the putt and finally caught the edge.

It was lovely.

Q. What were some of your biggest takeaways from this week, and especially the finish on the back nine there?

MATTI SCHMID: I hit it lovely the first two days and played some really good golf. Kind of lost it a little bit throughout the next kind of 18, 27 holes. Hit some bad short irons I would say.

But I kept really calm. I stayed patient. I was pretty accepting and I think that's why I had a good finish.

Q. This is your second Top 5 finish in a row on TOUR. What do you really attribute the recent success to?

MATTI SCHMID: I hit it lovely off the tee I would say and my mindset was pretty good. And I rolled some putts in.

Q. Are you planning to play Cabo in a couple weeks?

MATTI SCHMID: Yeah, Cabo and Bermuda for sure and we'll see.

Q. Then what will you do in these two weeks off?

MATTI SCHMID: I go back home. Today actually there is a direct flight to Germany and then I go to Jackson for a week and practice.
