Quick Quotes

Q. How would you characterize the round today?

SEAMUS POWER: Yeah, kind of a sloppy one kind of to start the year off. To be honest, a lot of mistakes, a lot of poor shots, but I did make a couple putts to kind of hang in there a little bit.

Q. Are you kind of kicking off a little bit of rust from the winter break?

SEAMUS POWER: Yeah, definitely. Obviously you're practicing and stuff, but it's never quite the same as it's going to be in tournament play. But overall hopefully I didn't shoot myself out of it. So ups and downs, a lot to work on.

Q. What's the biggest thing you have to kind of kick off when you get back to playing competitive golf?

SEAMUS POWER: It's hard to tell. I think just a little bit of everything, just kind of mentality maybe around the greens and stuff like that. But it's nothing in particular. It's just kind of getting back into the routine and getting into the focus and all that kind of stuff that you were kind of used to doing once you get going into the season.

Q. How have you spent your time sleeping on that FedExCup lead?

SEAMUS POWER: Same as always. I was home for 10 days and just kind of relaxing, just kind of enjoying some down time. Nothing really unusual.

Q. Did you go back home?

SEAMUS POWER: Yeah, I did. I went home for nine or ten days. It was great.
