Plantation Course at Kapalua

Cameron Young

Quick Quotes

Q. After that bogey at the 1st, strong 17 holes after that. What did you think of your game today?

CAMERON YOUNG: Mostly it was all right. I drove it well. I feel like I was a bit scrappy there on the back. I putted really nicely, very comfortable on the greens, nice to see a bunch of those go in today. I made, I feel like, six or seven 10-footers that you could very easily miss five of 'em hitting good putts, and today they all went in.

Q. Great one there at the end to post a 66. In the off-season anything that you were working on specifically, big points of emphasis coming in to start the year?

CAMERON YOUNG: Yeah, a few things. Nothing really groundbreaking. I feel like I've kind of been derailed by some illness here and there. I feel like every time I kind of started getting moving I got sick and kind of got slowed down a little bit. I'm happy with the work that I've done, and I feel like I'm really just starting to get into the swing of things. I played two weeks the beginning of December, and, yeah, happy to be here for the start of year.

Q. Have you had the chance to do anything fun out here on the island, any time on the water or any time in town?

CAMERON YOUNG: A little bit. I have my family here, so we were out on the beach yesterday, which was fun, kind of had dinner out there and walked around. It's a busy place down over where we're staying, so it's really pretty and we've had a good week so far.
