Quick Quotes

Q. How would you describe your round today?

CHRIS KIRK: Overall very happy with it. A couple of those bogeys on the back nine I would have liked to have over again, but hit the ball really well. I had a couple loose drives to the left early on and was able to kind of scramble out of them and make pars. Really solid front nine, 4-under, and just kind of cruising after that.

But yeah, you know, overall, really good. Putted the ball really well. Happy that I was able to get one back on 18 and hopefully give me a little momentum going into tomorrow.

Q. Three back of Brendan Steele heading into Sunday. What's been the biggest key for you tomorrow to stay in contention?

CHRIS KIRK: Just try to give myself as many opportunities as I can. I feel like I've been putting the ball really well. So if I can just hit it, just stay consistent off the tee and give myself a bunch of looks at birdie, I should have chance.
