## Kevin Kisner

### Quick Quotes

**Q. Kevin, in your round today six birdies, three in a row to start. Talk about the round today, and especially the hot start.**

KEVIN KISNER: Yeah, got off to a great start just like I wanted to. Really was knocking the flag down early and didn't make the short ones actually there in the middle of the round.

Kind of stalled out for a little bit, but bogey-free on Sunday, 64, never can complain.

**Q. You played great today obviously. Do you feel like this is more like a race for third place with the way Henley and Matsuyama are playing?**

KEVIN KISNER: Yeah, I didn't look until 16 and saw they were at 21 and 23, so trying to get a couple more to boost my lead over the guys that still had to finish.

**Q. Talk about momentum heading into 2022 and how you feel about your game right now.**

KEVIN KISNER: Love every aspect of it, to be honest with you. I think I could shore up the putting a little bit, be a little bit more consistent with that, but all the things I worked on in the off-season seemed to click.
