Quick Quotes

Q. Taylor, 5-under 65. Nice final round. Just get some comments on your day and you week as a whole.

TAYLOR PENDRITH: Yeah, great first week of the year for me. Enjoyed the break. It was nice. Didn't really touch the clubs too much.

Shaking off the rust early in the week, but, yeah, played very nice today and drove it very well; putted really, really nicely this week.

So it was good to see some putts go in in the first two rounds and kept the momentum going.

Q. Played your last 41 holes without a bogey. That's always a good thing. Talk a little bit about that, your consistency.

TAYLOR PENDRITH: Yeah. Yesterday I think I hit three or four fairways, and just trying to keep it in front of me with my second shots and scrambled nicely. Was very good from the bunkers this week, greenside bunkers.

Just didn't really put myself in too awkward of a position any time. Today hit a lot of greens and made some putts.

You know, when I was out of position I just kind of played to the front edge and went from there.

Q. You mentioned this a little bit, but how does a good week like this week really set you up confidence-wise going forward?

TAYLOR PENDRITH: Yeah, it's great. Feel like the last two years I haven't really got off to the best of starts, so it's nice to come here and have a good week.

I have been here once before and missed the cut. Really like the golf course. Nice to come here and redeem myself and have a decent week.
