La Quinta, California, USA

PGA WEST Pete Dye Stadium Course

Francesco Molinari

Quick Quotes

Q. Good round out there today. What did you like about what you saw out there?

FRANCESCO MOLINARI: Yeah, it was pretty solid, happy the way I hit the ball. Only one bogey on the scorecard so managed to keep it pretty clean. Yeah, obviously good start, first round of the year, you definitely have some question marks, but it was nice to see some solid shots and some solid play.

Q. Last year at this time you were working with your family to figure out where you wanted to move to and everything was sort of unsettled with the pandemic and all that. How have things gone now one year later, are you guys pretty settled and can you think more about your golf?

FRANCESCO MOLINARI: Yeah, I think that's definitely the case. The last year I was already playing here, I played actually pretty good most of the West Coast, so I think last year was just a few injuries and just some not really good golf from me. But, yeah, definitely obviously a year on we're more settled and L.A. is feeling more like home. But, yeah, I think it's just about playing better golf rather than anything else.
