## Seamus Power

### Quick Quotes

**Q. So great start here, bogey-free 65. Can you just give us your thoughts on the round?**

SEAMUS POWER: Yeah, I mean overall very pleased. Any time you're bogey-free it's always going to be very positive thing. I played very, very nicely, especially on the front, gave myself plenty of chances.

Had a couple kind of burned the edge but overall felt very much in control, so very pleased.

**Q. Was there any particular standout shot today?**

SEAMUS POWER: My 3-wood into No. 4 was probably my best shot. I gave myself maybe a 20-, 25-footer for eagle, but it's a small green and to hit it actually on the surface was, I was very happy with that one.

**Q. You had two top-25s here in the past, just seems to suit you. Are you, between your confidence from last week at Sony do you feel good heading into the weekend here?**

SEAMUS POWER: I do, I have, I've always liked it here. I like the greens, I seem to read them pretty well, that's such a big thing and I feel comfortable doing that. And it's just, I mean, this time of year in Palm Springs it's so pretty here, I mean it's perfect conditions and you just kind of feel like you're going to make some good swings and hopefully I can kind of keep it up over the weekend.
