Quick Quotes

Q. Thoughts on how the course is playing and your round overall?

CHRISTIAAN BEZUIDENHOUT: Yeah, overall it was a solid round out there. The golf course is firming up a little bit with the sun that we've had over the last few days.

I didn't drive it particularly well today, so I couldn't really score on the par-5s. I had to lay up on most of the par-5s. Just going to do some driver work now, and hopefully I can drive it better tomorrow.

Q. Do you take a different mentality into tomorrow being a few strokes back? Does it free you up? What's your mindset heading into tomorrow?

CHRISTIAAN BEZUIDENHOUT: Yeah, just try to play my own game. Just try to hit shot for shot, give myself chances. The greens are really, really good year, so if you can give yourself chances, you definitely can make a few putts.
