Quick Quotes

Q. What are your general thoughts on the day having had maybe two minutes to think about it? What did you think of your play out there?

BROOKS KOEPKA: Yeah, I putted it really well. Really solid. But the wedges just weren't up to par. Leaving a few right, felt like a couple of them the wind kind of switched a little bit, as well. But I mean, that happens. Just didn't play good enough today.

Q. Where do you go -- do you learn something from this? It sounds like your wedges, and do you take stuff to work on on the range and go forward?

BROOKS KOEPKA: Not really, man. Sometimes you just have a mediocre day. It is what it is.

Q. Was today as crazy as the other days or a little bit more subdued today?

BROOKS KOEPKA: No, it's definitely toned down. You always know Saturday is the biggest day out here. Sunday is a little more tame. But yeah, it's not too bad.
