## Harry Hall

### Quick Quotes

**Q. Great round. What was going right for you out there?**

HARRY HALL: Kept it in play off the tee. Hit a lot of fairways. Hit a lot of greens. I didn't get off to the hottest of starts by parring two of the par-5s. But, yeah, the putter was hot today. Just made a few in a row. I think I had five birdies in a row out there. So that was cool.

**Q. Going off of that, talk about your eagle on 16 and that birdie streak there on the front.**

HARRY HALL: Yeah, the eagle on 16, hit a little driver off the tee and the hybrid in. Holed a 20-footer.

The birdie streak on the front was pretty cool because I think I went bogey and then had a par on the second hole and then had five in a row from 3 onwards. So it was really good.

Coming down the last two holes it started to blow 45 miles an hour. It was crazy. Happy to get in at 7-under today.

**Q. You're just making your debut. Talk about what it's like to play some of these iconic courses. I know you have Pebble coming up tomorrow.**

HARRY HALL: Yeah, Pebble tomorrow. That's one of my favorite places in the world to play golf. Lucky to have been here a couple of times. So Pebble tomorrow and Spyglass on Saturday. Yeah, looking forward to it. Got a great week in front of me. Dad's over from England and the whole family's here supporting me. Got a great partner in Kira Dixon. So we're going to have a lot of fun over the next few days. Yeah, really looking forward to it.

**Q. Any changes to the game plan or anything in the coming days or kind of sticking to it?**

HARRY HALL: Yeah, sticking to it. I'll have a game plan for every golf course and go about it. Just trying to be a little bit less serious compared to the last few weeks on the golf course. I think it's easy to try and be perfect out here.

Tom my caddie and I decided to have a little bit of a different approach this week and hit more golf shots and being less analytical on every shot. So that really worked well today.
