## Keith Mitchell

### Quick Quotes

#### Q. (No Microphone.)

KEITH MITCHELL: Just a fantastic guy. And then -- we call him Chief, Eric -- was just cracking jokes all day. Josh was playing well. He hit the ball really nice today. Just had a good time. A good group of guys.

#### Q. Does this format kind of fit your personality a little bit? Kind of similar, laid back type of guy?

KEITH MITCHELL: I would like to think that, but on the golf course sometimes I get a little heated and a little intense. But I've always had fun in this event. If you get good partners it's just a fun day on a beautiful course.

#### Q. Thoughts going into Pebble tomorrow? Obviously you play Pebble back-to-back days. You're right in contention in this tournament. What do you feel like you have to do tomorrow to hopefully be in the same spot going into Sunday?

KEITH MITCHELL: Really just play the back few holes well. Back on the far side you have 8, 9, 10. Play those well. Then hit a good drive on 18.

If you do those well then you can take advantage of Pebble. I don't really know what the weather's going to be tomorrow, but that's always the other factor. So hit those tee shots well, hope you get some good draw on the weather and hope the putts fall.
