Quick Quotes

Q. (No Microphone.)

MATTHEW FITZPATRICK: I actually felt like I hit the ball solid and hit a lot of good shots and didn't really put myself out of position, which I think is the key around here.

Q. What part of your game best suits this golf course?

MATTHEW FITZPATRICK: I think probably accuracy off the tee. I really do believe you got to hit fairways here to give yourself a chance into the greens. And I think that when I'm driving it well I can do that.
